Commissioner for Patents
P.O Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed after the mailing date of a first Office action but before the mailing date of either a final action or notice of allowance and is accompanied by a certification as specified under 37 C.F.R. §1.97(e). Applicant respectfully petitions and requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

Each document listed in this Information Disclosure Statement was cited in a communication from the European Patent Office in a counterpart foreign application. Because this Information Disclosure Statement is not being filed within three months of the mailing date of that communication, Applicants hereby authorize the Commissioner to charge the appropriate petition fee of \$180.00 to Deposit Account No. 01-0025. The Commissioner also is authorized to charge our Deposit Account any additional fees (or credit any over payments) that may be required under 37 C.F.R. §§ 1.16 and 1.17 in association with this communication for which full payment has not been tendered. A duplicate of this sheet is enclosed.

Copies of the listed documents are attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Commissioner is authorized to charge our Deposit Account any additional fees (or credit any over payments) that may be required under 37 C.F.R. §§ 1.16 and 1.17 in association with this communication for which full payment has not been tendered. A duplicate of this sheet is enclosed.
